ELECTRONIC CASH REGISTER

The Olivetti ECR 6900 cash register offers PC connectivity for easy programming, and external barcode reader connectivity for quick and easy item registration.

These performance-enhancing features are coupled with a full range of functions for small and medium retailers, together with the unmistakable look of Italian design.

The model is equipped with a two-line VFD alphanumeric operator display, a pop-up customer display and a high-speed alphanumeric thermal printer to issue receipts and print texts, promotional messages and logos.

Easy to use, with a professional keycap keyboard and locking drawer, the ECR 6900 features a 13,000-line dynamic electronic journal with circular memory settings, 99 programmable departments for 10 department groups, a total of 2000 PLUs or sub-departments, 15 clerks, 4 VAT rates and non-taxable prices.
